## **DRAW DIAGRAM OF PROJECT:**

Send us your layout details indicating where:

- North is pointing to the top of the following diagram, draw accordingly.
- Distances measured in 

  feet or 

  meters.
- Specify location of your lots, buildings, driving lanes, walk ways, planters, gardens, etc.
- Indicate measurements of general area and features.
- Identify utilities: power, natural gas, propane, geothermal, phone, cable, fiber optics, irrigation/underground sprinklers, etc.
- Use a second sketch if more detail is required.
- Send photos by print or Email small 480 x 640 pixel photo files.

## **COMMENTS & SUGGESTIONS**

As you visualize this project, list your questions & concerns. Indicate features that are a priority and what do you not want? Go through our list of "Characteristics of Trees & Shrubs by Grouping" and check off what you would want regarding trees & shrubs. Place an X on those you don't want. Read through our catalogue and browse the internet in order to explore your wishes. Lastly, what are your expectations of <i>Gaudet Trees</i> ?
